Evolution Powered by You

Fiido C11 Pro builds on the positive reception of the Fiido C11, which over 10,000 riders have embraced since its launch in March 2024. Some riders shared their desire for a more responsive pedal sensor, and we took that feedback to heart. The result? Fiido C11 Pro—crafted to provide an even smoother and more intuitive riding experience.

Real Riders, Real Reviews

"We plan to ride all around Rome with the new FIIDO C11 Pro electric bike. Perfect for us and our cities!"

Elena Andrei

C11 Pro Owner

"I use the bike to go to social activities in my village, and also to the nearby lake for swims. I do not do a lot of kms but rely on the bike for making it possible to not stay isolated."

Elena Andrei

C11 Pro Owner

"Our joint rides have become more frequent, enjoyable and just happier since Fiido bikes joined our family."
